

MENTORSHIP PROGRAMME

2023/2024

MENTORSHIP PROGRAMME

2023/2024

The CMB Mentorship Programme is the forum for professionals who want to influence tomorrow's leaders. It is also for students who would like the opportunity to gain an invaluable exchange of experience with skilful leaders from different sections of the built environment sector.

The CMB Mentorship Programme is a platform for exchange of experience and knowledge between students and the business world. The aim is to give tomorrow's leaders the best possible preparation for forthcoming challenges through bringing professionals and students together in meetings where relationships can be formed and where the students can obtain support in their development. The programme's objective is to create the conditions for a courteous and open interaction where the student and the mentor can show clearly what drives them.

The mentorship programme is truly an opportunity that no one should miss! My mentor and I have brainstormed ideas and discussed courses, my master thesis project, various job applications and my CV, possible path choices as well as current topics in the industry. An unpretentious, nice and invaluable opportunity!

Elin Olsson, Student DCPM 2021

Becoming a mentor has enriched me personally on many levels and the task implies a mutual exchange of knowledge. It feels important for me to give something back to the students, based on my professional experiences and our way of working here at NCC. It is rewarding to be part of a network of other mentors, providing each other with new insights and perspectives.

Fredrik Johansson, Department Manager, NCC Building Sweden, mentor

Who can apply?

STUDENTS

The programme is directed at second-year students taking the The Design and Construction Project Management masters programme (DCPM). It is open to both Swedish and international students.

MENTORS

The programme is open to leaders employed throughout the built environment sector who would like to have an exchange with students and other mentors. A condition is that the company is a principal in cmb.

SCOPE

Four joint meetings are scheduled for all mentors and mentees throughout the year. The meetings cover a variety of topics. In addition to the pre-arranged appointments, the mentor couples are free to organize other time as they see fit.

PRACTICAL ISSUES

Registration, for both students and mentors, takes place via forms on cmb's website: cmb-chalmers.se/utbildning/mentorprogram

Registration is open to September 15th. Selection takes place at the end of September and matched pairs are notified via e-mail. Further information is available on cmb's website.

JOINT PROGRAMME FOR MENTORS & MENTEES

OCTOBER 12, 2023

Joint introduction and workshop/inspiration regarding mentoring

DECEMBER 1, 2023

Joint meeting and workshop – presentation technique (also possible to participate in the breakfast seminar at cmb)

MARCH 19, 2024

Joint meeting and site visit with lunch (location tbd)

MAY 15, 2024

Joint "project wrap-up" / "completion session" with dinner, socialising and inspiration.

CONTACT

The program is hosted by [cmb's student council representatives](#). Contact the student council via studentradet@cmb-chalmers.se or email Carina Bohm at carina.bohm@cmb-chalmers.se.
